Small-arms and ammunition factory,KATALINHEGY : Nov. 1955

1. The factory is situated in a wooded area of KATALIN, approximately 500 metres S.W. from the t.p. 316 and 500 metres North of the road BIATORBAGY - BUDAÖRS.  
See sketch at Appendix "A".
2. It covers an area of approximately 120 by 400 metres surrounded by a barbed-wire fence, and consists of the following buildings :
  - Two office buildings marked (a) on attached sketch;
  - Metal-shaping workshop marked (b);
  - Finishing department marked (c);
  - Assembly-plant marked (d);
  - Raw-material and finished-product stores, marked (e).
3. Approximately 2000 persons, including technicians and management, working in three shifts, are employed at the factory. They are transported to and from BUDAPEST and neighbouring villages by buses of the firm SZELL KÁLMAS.
4. Spare parts for small-arms and ammunition-cases are manufactured here and delivered to DIOSGYÖR, SAJÓBÁTONY, TÖRÖKBALINT, JOBBAGY, NAGYTETENY, for assembly or for filling, respectively.
